

## **Old Presbyterian Meeting House Service and Justice 2026 Grant Process**

The Meeting House Service and Justice Ministry (S&J) is pleased to announce the opening of our 2026 Service and Justice Grant process.

S&J uses a grant process to facilitate its allocation of the service and justice portion of OPMH's annual operating budget to particular missions and mission partners.

We invite our current missions and mission partners as well as new groups serving important needs to submit a grant proposal for our upcoming budget year.

### **Timeline**

Grant period opens—February 1, 2026

Grant proposals due—March 1, 2026

Grant awards selected— March, 2026

Grant funds disbursed—TBD, based on needs of the applicant and availability of funds.

### **Procedure**

- Each grant recipient will report with S&J on the use of the funds within 6 months of the disbursement of funds.
